if you are going to choose only one book to read as you navigate your divorce choose nolo s essential guide to divorce the one guide that everyone going through divorce should have the book will support readers in avoiding conflict while protecting their financial situation and relationships with children it is thorough easy to read and updated with the most current information

according to the u s census bureau the average woman s family income drops by 37 after divorce do you know what assets or how much alimony or child support you are entitled to receive has your spouse threatened to leave you penniless have you spoken to an attorney and gotten sticker shock do you earn too much money to qualify for free legal aid this book was written to help the low and moderate income women the legal system has abandoned by walking a hypothetical self represented woman step by step through the divorce process including how to prepare financially to stand on your own two feet what the court can and cannot do for you legwork that can save you money on legal fees and help you get a better outcome how much child support and alimony you might be entitled to receive custody disputes fatal flaws and how you can fix them how to show a judge that your spouse is lying about their assets and income what property you are entitled to receive and should ask for ways vindictive ex spouses can hide money and how to prove they are lying real life dirty tricks traps and pitfalls highlighted so you can avoid them how to find a good attorney if you can afford one save money on legal fees or combine a la carte legal advice with your own efforts if you can t afford to hire a full service attorney mediation and court connected alternative dispute resolution benefits and pitfalls how to dig up information your spouse doesn t want you to know discovery like an attorney common court forms and how to fill them out separation agreements dissected and clarified including two blank fill in the form boilerplates which you can download and use in your own divorce sample discovery requests and motions we ll dissect each motion and show what information you can use it to get sample hearing scripts for common court hearings including restraining order hearings temporary order hearings custody dispute hearings contempt hearings and parts of a mock trial restraining orders how to get one how to keep one filled with helpful examples of common court forms and legal pleadings

this book will introduce you to everything you never wanted to know about divorce but need to come up to speed fast this is the only self help legal book written by a woman who was once in your shoes who later went back to school to become an attorney bonus links to download edit and print blank separation agreement forms the 6th edition has been completely updated with the latest case law including ways to sensitively handle a christian divorce caveats regarding same sex couple custody disputes post obergefell and a completely rewritten separation agreement chapter with suggested clauses for unusual situations such as extraordinary school fees private school or homeschooling book 1 of the divorce bootcamp self help legal series kirkus a solid informative self help divorce guide this exhaustive guide covers a range of topics related to contested and uncontested divorces including how to gather documentation of assets estimate child support and alimony and even if necessary obtain restraining orders she discusses many topics related to asset division and child custody including marital debt and visitation rights the book is aimed at the broadest possible audience but also discusses variations in state laws review of the 5th edition legal disclaimer this book is not meant to constitute legal advice the author is licensed to practice law in massachusetts links have been provided to direct women to their local court resources in all 50 states but the court forms case histories and property division examples used are loosely based upon massachusetts examples this book is not a replacement for consultation with a licensed local attorney

we do not see things as they are we see things as we are when you change your perception you change your results custody and child support sometimes life can take turns which we are unprepared for divorce is one of those detours in life that rock the foundation upon which we live without proper guidance and support divorce can seem like an overwhelming and frightening path fortunately there is hope this book provides that vital guidance and support in i want out family and divorce mediation expert sean collinson provides practical and psychological insights which are derived from his many years of experience in the family law system in this must have book sean educates and helps change perceptions in order to achieve successful results by operating in reality verses heated emotion sean writes from the heart from experience and from the point of view of an ally i want out provides the reader with insights ideas and wisdom on divorce child custody child support mediation lawyers and so much more it is filled

with information to get you successfully through these challenging times i want out speaks to those who are contemplating divorce going through divorce or are unmarried and dealing with paternity issues and concerns it lends an opportunity to evaluate the situation create a plan of action and ultimately to make educated decisions toward a solution that can help you get your life back on track and allow you to move on avoid common mistakes protect yourself you don t get what you deserve you get what you negotiate sean collinson take control of your situation with assertiveness and strategic thinking learn how to deal with difficult personalities learn how to protect yourself and make better choices

specific to california this book gives you practical and legal advice in clear simple language that will answer your questions and guide you to a faster smoother less painful and less expensive divorce shows you how to stay out of court and complete your divorce with little or no help from an attorney updated for 2014

health harming legal needs equips primary health care professionals with the tools to recognize and respond to legal issues that are injurious to health particularly among low income patients co developed by medical and legal experts this book advances health equity through the integration of legal support into clinical care utilizing a practical case based approach it helps clinicians identify when legal issues such as eviction denial of social benefits immigration status family breakdown discrimination at work or criminal legal system involvement may be undermining their patients health it also focuses on several patient populations with unique legal needs including pediatric patients people living with hiv indigenous peoples and people living with intellectual or developmental disabilities it demystifies the legal systems that patients interact with and builds clinician confidence in navigating and leveraging community legal support central to the book is the introduction of health and justice partnerships a flexible collaborative model that brings legal and health professionals together to address the root causes of poor health by fostering shared understanding and joint dialogue across sectors the text shows how meaningful legal health collaboration can enhance patient care reduce provider burnout and promote equity and access to justice through real world examples and actionable guidance the book underscores that legal support can make a decisive difference in moments that

feel hopeless for both patients and care teams it ultimately encourages clinicians to see legal advocacy as part of a holistic approach to care and offers a road map for integrating this perspective into their practice

specific to california this book gives you practical and legal advice in clear simple language that will answer your questions and guide you to a faster smoother less painful and less expensive divorce shows you how to stay out of court and complete your divorce with little or no help from an attorney how to reduce conflict and avoid court battles divide property fairly without a fight deal with spousal support deal with child support custody and visitation draft a settlement agreement show more show less

once i pay alimony and child support i won t have enough to live on how can i reduce it my 16 year old refuses to visit her father am i going to be in contempt of court if i don t make her go brette mcwhorter sember a retired divorce attorney and a widely published author on the subject answers hundreds of questions like these in simple layman s terms covering everything from living under a separation agreement to dividing assets and debts looking at divorce from all angles legal social psychological and financial this is a resource that speaks to everyone from those just starting to contemplate breaking up a marriage to those trying to renegotiate an unsatisfactory financial settlement

family justice requires not only a legal framework within which personal obligations are regulated over the life course but also a justice system which can deliver legal information advice and support at times of change of status or family stress together with mechanisms for negotiation dispute management and resolution with adjudication as the last resort the past few years have seen unparalleled turbulence in the way family justice systems function these changes are associated with economic constraints in many countries including england and wales where legal aid for private family matters has largely disappeared but there is also a change in ideology in a number of jurisdictions including canada towards what is sometimes called neo liberalism whereby the state seeks to reduce its area of activity while at the same time maintaining strong views on family values legal services may become fragmented and marketised and the role of law and lawyers reduced while self help web based services expand the contributors to this volume share their anxieties about the

impact on the ability of individuals to achieve fair and informed resolution in family matters

people facing divorce are facing extreme heartbreak regret anxiety and unbelievable financial pressure the stakes have never been higher and you are expected to navigate a coded legal system and hope your family emerges on the other side in decode your divorce divorce attorney billie tarascio will take you through three comprehensive sections so you can move through the divorce process smoothly inexpensively and empowered in this book you will learn representation options and how to best work with an attorney how to navigate the court system including how to draft documents identify and organize exhibits and what to expect in court all you need to know about the law related to divorce including custody child support property division spousal maintenance and more it s true your life will never be the same but it will get better decode your divorce will give you the tools to emerge stronger

changes in family structures demographics social attitudes and economic policies over the last 60 years have had a large impact on family lives and correspondingly on family law the second edition of this handbook draws upon recent developments to provide a comprehensive and up to date global perspective on the policy challenges facing family law and policy round the world the chapters apply legal sociological demographic and social work research to explore the most significant issues that have been commanding the attention of family law policymakers in recent years featuring contributions from renowned global experts the book draws on multiple jurisdictions and offers comparative analysis across a range of countries the book addresses a range of issues including the role of the state in supporting families and protecting the vulnerable children s rights and parental authority sexual orientation same sex unions and gender in family law and the status of marriage and other forms of adult relationships it also focuses on divorce and separation and their consequences the relationship between civil law and the law of minority groups refugees and migrants and the movement of family members between jurisdictions along with assisted conception surrogacy and adoption this advanced level reference work will be essential reading for students researchers and scholars of family law and social policy as well as policymakers in the field

this book provides an easy to understand survey of family law

across canada for those interested in ontario or other provinces perhaps working toward paralegal certification this book provides all the relevant details of family law and competencies in an organized fashion using plain language the latest amendments to the divorce act concerning decision making responsibilities parenting time and contact orders are fully canvassed as are new requirements for moving or relocating and the broader definition of family violence indeed not all marriages and families are harmonious there is a thorough review of domestic abuse and resulting trauma as well as legal remedies including peace bonds restraining orders and civil contempt this book also examines the client centered trauma informed anti racist approach to providing legal services the laws of marriage but not solemnization annulment and divorce are essentially the same no matter where you live in canada the first six chapters are very informative about those topics and issues of parenting child support and financial assistance for spouses this book also deals with disputes concerning parenting responsibilities support and property division that arise when the parties never married but cohabited in a conjugal relationship of some duration prior to separation while this book is not legal advice it provides every reader with a solid grasp of their rights and obligations in family matters and those who will qualify as legal advisers in family disputes will benefit from the breadth of the material and the comparative approach
