

Minnesota Child Support Guidelines

Subd. 2. **Basic support; guideline.**

Unless otherwise agreed to by the parents and approved by the court, when establishing basic support, the court must order that basic support be divided between the parents based on their proportionate share of the parents' combined monthly parental income for determining child support (PICS). Basic support must be computed using the following guideline:

| Combined Parental Income for Determining Child Support | Number of Children | | | | |
