how did we get here three and a half day school weeks prisoners farmed out to
the mainland tent camps for the migratory homeless a blinkered dependence on
tourism and the military for virtually all economic activity the steady degradation
of already degraded land contempt for anyone employed in education health and
social service an almost theological belief in the evil of taxes at a time when new
leaders will be elected and new solutions need to be found the contributors to the
value of hawaii i outline the causes of our current state and offer points of
departure for a hawaii i wide debate on our future the brief essays address a wide
range of topics education the environment hawaiian issues media tourism political
culture law labor economic planning government transportation poverty but the
contributors share a belief that taking stock of where we are right now what we
need to change and what we need to remember is a challenge that all of us must
meet written for a general audience the value of hawaii i provides a cluster of
starting points for a larger community discussion of hawaii i that should extend
beyond the choices of the ballot box this year contributors carlos andrade chad
