

Applying for Child Support Services in Vermont

Information You Need to Know Before Applying

The Office of Child Support (OCS) is the state agency responsible for establishing, collecting, enforcing, and modifying child and medical support orders for children. In all related proceedings, OCS represents the state's interests—not the interests of either parent (or guardians).

OCS can help you:

- Establish parentage;
- Establish an order for child and medical support;
- Modify or enforce an existing order for child and medical support;
- Make support payments to the custodial parent; and
- Locate a missing non-custodial parent.

OCS cannot help you:

- Establish or modify parental rights and responsibilities (*custody*);
- Establish or modify parent-child contact (*visitation*); and
- Establish or modify guardianship.

Eligibility For Services

Services are available to custodial and non-custodial parents (and guardians) of children who are under 18 or still in high school. You may also be eligible if you are owed past-due, court-ordered child support (referred to as *arrears*) and the youngest child for whom support is owed is under 24.

Cost Of Services

If you apply to OCS, child support services are free. There is a \$5 monthly fee, however, if a court orders payments be made through OCS and neither party applies for services. *You will be notified in advance if it becomes necessary to charge a fee for other services.*

What You Can Expect From OCS

Within a few days of receiving your application, OCS will assign a caseworker to your case and notify the other party of our involvement. Your caseworker should, at minimum, conduct periodic reviews, contact other agencies for updates when necessary, and notify you of any major developments. He or she will devote as much time to your case as possible; however, caseworkers typically oversee hundreds of cases and have limited time to devote to each individual case.

OCS will provide all services deemed appropriate. You are expected to cooperate with OCS. This includes, but is not limited to, returning calls, providing documents as requested, and informing us about changes in your contact information.

- Once we receive your authorization, it typically takes about 30 days for electronic payments to begin. After they begin, OCS will deposit your child support payments directly into your bank account or on your ReliaCard – usually within 2 business days of receiving a payment.
 - If you select the ReliaCard option, a card will be mailed to the address you provided within 5 - 7 days of processing this application. If you don't make a selection below, you'll be issued a ReliaCard.

If you get a ReliaCard, sign up for email or text alerts that will notify you when funds have been added to your card. Call the OCS Helpline at 1-800-786-3214 if you want to know when we received your child support payment or to change your electronic payment option.

7. Statement of Understanding

I understand that OCS representatives act at all times on behalf of the State of Vermont to enforce child support laws; representatives do not act in the interests of any particular person or party; and OCS lacks the authority to become involved in custody and visitation issues. This means OCS does not act as my personal advocate or representative in any legal proceedings before the Family Division of Superior Court; must make many discretionary decisions concerning best implementation of its policy objectives; and is guided not only by the economic interests of an individual case, but also by the best interests of a child. When OCS becomes involved in my case, it will investigate and make recommendations to the court based upon its interpretation of the law and facts.

I understand the role of OCS and my continuing right to get my own attorney in connection with this matter. I understand that in addition to the participation of OCS in my case, I may present my own information, testimony, or witnesses in any legal proceedings before the the Family Division of Superior Court.

I understand that by receiving OCS services, I will receive all services deemed appropriate by OCS, many of which are automatic. Services provided by OCS include locating a parent for the purpose of collecting child support; establishing parentage; establishing a child support order; establishing a medical support order; reviewing the amount of child support paid by the non-custodial parent to ensure the amount is consistent with guidelines; modifying a child support order due to a change in income or circumstances of one or both of the parents; collecting child support payments and sending them to the custodial parent; and enforcing a child support order. Other services that may be appropriate include, but are not limited to, certification of arrears with state and federal tax departments, reports to credit bureaus, lottery offsets, administrative wage withholding, data matches with financial institutions, trustee process, liens and other legal remedies. (Parties may not receive prior notification of every process OCS undertakes.) It is my responsibility to notify OCS in writing when I no longer want services from OCS.

I understand payments received by the obligee directly (called direct payments) must be turned over to OCS who will issue them to the obligee. I understand that failure to do so may result in the termination of OCS services. I understand if money is sent to me in error or issued to me based on a check from the non-custodial parent returned for insufficient funds, I must return the money. If I do not return the money, I authorize OCS to deduct such payments from future payments until this obligation is satisfied.

I understand OCS is required to submit minimal information about me to a national directory used only by other state child support agencies. However, federal law prohibits the release of information to the national directory for those at risk of harm from family violence. If I believe that my children or I am at risk, I understand that I may request in writing that OCS not release my information to the directory. I further understand that if I ask OCS not to release my information, that there may be delays in my case because some automatic processes may not go forward as usual.

I understand that after I have tried to resolve an issue with an OCS caseworker and supervisor, I have the right to request an OCS Administrative Review of any decision or action taken by OCS in my child support case. I may call my OCS caseworker to request an *Administrative Review Form* or write to OCS, ATTN: Intercept Unit at 103 South Main Street, Waterbury, VT 05671-1901, explaining my complaint and requesting an administrative review. I must include my name, Social Security number, address, daytime phone number, and note whether I want the review conducted in person, over the phone, or by mail.

I understand that if a court order requires the non-custodial parent to provide health insurance for our child(ren), he or she will have access to information maintained by our child(ren)'s insurer (e.g., social security number).

8. Request for Non-Disclosure / Family Violence (If this is not an issue, check this box and go to #9)

If you feel that releasing your address, phone number, employer, or other location information would put you or your child(ren) at risk of physical or emotional harm, please check the appropriate box(es) below and provide the requested information.

If you meet one of the conditions below, OCS will indicate this on your child support record. This will alert us to your situation, prohibit the release of certain information, and stop us from sharing your information with other states. Most child support enforcement or collection efforts will proceed as usual. However, there could be delays in your case because some automatic processes may not go forward as usual.

Conditions:

- I am covered by a nondisclosure, protective, or relief-from-abuse order dated _____ in _____ County, State of _____. *Please attach a copy of the order if available.*
- I was granted good cause for non-cooperation with the child support agency on _____ in _____ County, State of _____. *Please attach the determination if available.*
- I believe releasing information about me or my child(ren) may result in physical or emotional harm. *Explain on additional sheet.*

List the full name and your relationship to the person from whom the information should be kept:

9. Your Rights & Responsibilities as an OCS Customer

You have the right to:

- Full and equal treatment regardless of race, color, national origin, age, sex, sexual orientation, or handicap;
- Confidential treatment of personal information to the extent allowed by law;
- Hire an attorney to represent you or represent yourself without an attorney when participating in any hearings or meetings;
- Appeal any decision made or action taken by OCS;
- Obtain copies of non-confidential documents in your OCS case file; and
- Stop any OCS services initiated solely by you.

You are responsible to:

- Provide all necessary information and cooperate with OCS;
- Keep OCS informed of any changes in your circumstances;
- Notify OCS before making any agreement or taking any action that might affect your child support;
- Ensure all child support payments are sent through OCS;
- Participate in all meetings and hearings concerning your case;
- Keep accurate records of all child support payments as well as copies of all documents related to your case;
- Inform OCS of any family violence issues or concerns; and
- Repay any excess amount received if OCS pays you an amount of child support to which you are not entitled.

10. OCS & Your Privacy

When you receive OCS services, federal and state law requires you to provide OCS with certain information, including Social Security numbers for you and your children. We use this information to establish parentage and establish, modify, and enforce support orders. By receiving OCS services, you authorize the use of these Social Security numbers for the purposes stated above.

OCS is committed to protecting your privacy and keeping information about your case confidential—in compliance with state and federal law. This is also required of all agencies and organizations that work with OCS. You should be aware, however, that:

- Some laws require the sharing of certain information;
- OCS may need to provide certain information to another agency or person working on your case;
- Both parents have access to certain information about each other;
- When a parent is required to provide health insurance for a child, he or she will have access to information maintained by the child's insurer; and
- Once a legal action is filed, all information included in the court filing becomes a matter of public record (unless you can show good cause for excluding your address from the public record).

11. Agreement and Authorization for Receipt of Child Support Services

- I hereby request child support services from the State of Vermont.
- I agree to cooperate with the Office of Child Support and any cooperating agencies or contractors. I authorize them to use all legal means necessary to provide services.
- I certify that all information provided on this application is true and complete to the best of my knowledge.
- On occasion, money may be sent to me in error or issued to me based on a check from the non-custodial parent returned for insufficient funds. OCS will notify me of this and that I have up to seven (7) days to return this money to OCS based on state law. If I do not return it, my signature below indicates my consent for an automatic reduction of child support issued to me, in accordance with state law, until my obligation to repay the mis-directed money is satisfied. I specifically authorize such deductions without further notice to me.
- I understand my application for OCS services means child support payments are required to be made through OCS. I realize those child support payments that are withheld from wages must continue to be made through OCS, even if OCS services are terminated, unless I ask the court to change that portion of the order.

I have read and understand the role of the Office of Child Support staff. I have read and understand my rights and responsibilities as a recipient of OCS services. I have read and understand the Statement of Understanding.

I hereby authorize the Office of Child Support to provide services as noted on this application form.
